Ethan,

Rachel sent us a copy of your last letter by Phone. Mom wanted to let you know you have over $800 dollars you can spend out of your checking account. And we will pick you up December 19th & take you back January 3rd unless you change the dates before then.

Hope things are going ok for you, your past half way. One day you will look back and laugh at your basic training, maybe not shit isn't funny is it. But it will make a man out of you & you'll learn alot.

When you get to A.I.T. things will get so much easier, you might even like the Army. Do you know anything about your MOS & what you will be doing?

How's the other guys handling the Army Life?

Another thing, you can send mail to us direct if you want to. Our Address is:
